R.O.C. No. 786 B/31

Station Madras, *Dated the* 8th June 1931. 19

From (Name) R.G. Grieve Esq., M.A., C.I.E.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

In submitting herewith the letter Ref. C.No.195/30 dated 4th April 1931 from the President, Taluk Board, Udipi, I have the honour to offer the following remarks:-

2. The President, Taluk Board requests that the orders passed in G.O. Ms 416 Law Education, dated 14th March 1931, regarding the recovery of Provincial grant paid towards the allowance of Rs 4/- in 1929-30 and 1930-31 may be reconsidered. He also requests that the payment of the grant of Rs 4270 towards the allowance of Rs 4/- may be continued. The payment has been discontinued from 31-32 in G.O.No. 614, Law Education, dated 15th April 1931. Since the Taluk Board utilised a portion of the proceeds of the

Education Tax and the equivalent Government contribution towards the revision of pay of teachers the payment of grant has been discontinued with reference to para 2 of G.O.No. 1980 Law Education.dated 24th September 1929.

3. It is now reported by the President that the scale of pay was revised and brought into operation before the issue of G.O.No. 1980 Law Education,dated 24th September 1929. In connection with the payment of a grant towards the allowance of Rs 4/- the President, Taluk Board reported in 1925-26 that the pay has been revised merging the allowance of Rs.4/-. Even after revision of pay, a grant for the allowance of Rs 4/- is admissible with reference to G.O.No. 1475,Law Education dated 17th October 1923 provided the Local Body concerned agrees to meet its share of the expenditure on account of the allowance merged in the pay from its own funds other than the proceeds of Education cess and the equivalent Government contribution. The Taluk Board, Udipi, agreed to meet its share of the expenditure from its own funds other than the proceeds of the Education cess and the equivalent Government contribution in the years 1925-26, 1926-27 and 1927-28. From 1928-29 onwards the grant was placed on a fixed permanent basis with reference to G.O. No. 1633 Law Education dated 23rd August 1927. In the Budget Estimates for 1928-29 , 1929-30 and 1930-31 of the Elementary Education Fund under the control of the Taluk Board indicated a sum equal to the Provincial grant towards the payment of the allowance of Rs 4/- as its contribution from its general account. It is, therefore, clear that the Board did not indicate either in its applications for a grant towards the allowance of Rs 4/- from 1925-26 to 1927-28 or in its Budget Estimates from 1928-29 onwards that the Board was utilising a portion of the proceeds of the Education cess and its equivalent Government contribution towards the allowance of Rs 4/- merged in the pay proper.

//

4. The grant payable towards the allowance of Rs 4/- is Rs 4270 and a similar account is being contributed by the Board from its general account to the Elementary Education Fund. The Taluk Board has not reduced its contribution. In this connection, attention is invited to my letter R.O.P. No. 17 B-3/1929-30 dated 2nd December 1930 regarding the payment of grant to the Taluk Board, Tanjore. If, however, Government are willing to accept the case of the Taluk Board, Tanjore then the request of the President, Taluk Board, Udipi may also be considered, otherwise it may be rejected.

5. It may also be observed that the financial position of the Elementary Education Fund under the control of the Taluk Board is not very satisfactory. The ordinary charges exceed the total ordinary receipts in the Revised Estimate for 1930-31 and the Budget Estimate for 1931-32.

I have the honour to be,

Sir,

Your most obedient servant,

Through
The President, District Board,

Sir,

Referring to G.O.No. Mis. 416 Law (Education), dated 14th March 1931, I have the honour to place the following facts for the kind consideration of the Government, and favourable orders.

1. The scale of pay of teachers under this Taluk Board was again revised and brought into operation long before the receipt of G.O.No.1980 L & E., dated 24-9-1929 which

which made it clear for the first time that the Education tax and its equivalent Government contribution ought to be spent only for the expansion of the Elementary Education. Even this scale of pay, if fully given effect to, is really inadequate and far less than the one prevailing in Government elementary schools. It is therefore inexpedient to stop the increments to the poorly paid teachers having held out hopes to them.

2. The Government have hitherto been pleased to approve of the budget estimates of the Elementary Education Fund under the control of the Taluk Board without raising any objection to the appropriation of the Education tax and equivalent Government contribution towards the salaries of teachers, and as such, I may say that the Taluk Board was justified in acting upon the approval of the Government with regard to such appropriation of the Education cess and equivalent Government contribution.

3. In this connection, I beg to submit that improvement in efficiency of the existing institutions is as important as opening new schools on the principle that intensive cultivation is as lucrative as extensive cultivation; the more so, in the case of my Taluk, when, as the Government right observe. that there is no scope of increasing school centres.

4. Besides, the expenditure already incurred on the basis of the estimates hitherto made, by appropriation of Education Tax and the Government equivalent contribution, as the Taluk Board did, cannot be now curtailed if public inconvenience is to be avoided. I may here mention the fact that the education tax was raised from ~~0~~ 3 to 4½ pies as per paragraph 1(h) of G.O.No.134 L & M., dated 10-1-1927 which is silent about the mode of its appropriation and such increase was specifically suggested by Government for the purpose of meeting the general deficit and not exclusively for expansion of the Elementary Education. This naturally and inevitably gave impression to the Taluk Board that the object to increase the tax being to meet the expenditure under various heads, earmarking of such increase for expansion was not necessary; and this impression was only confirmed by the approval of the Budget

estimates by the Government from time to time.

5. I beg to add that in all the branches of the administration, the utmost economy has been exercised and there is hardly any scope for further exercise of economy.

6. I therefore request that orders conveyed in G.O.No. Ms. 416 L & M., dated 14-3-1931 ordering the recovery of subsidy may be cancelled on a reconsideration of the above facts and the subsidy paid hitherto may be continued to be paid in the interest of the efficiency of elementary education in the Taluk.

7. A copy of Taluk Board Resolution No. 700, dated 28th March 1931 is enclosed. (P) Ex. /

THE HONOURABLE THE MINISTER FOR EDUCATION,

GOVERNMENT OF MADRAS,

MADRAS.

Through

The President,

The Taluk Board, Udipi.

Humble Memorial of the Elementary school Teachers under the employ of the Taluk Board, Udipi.

Dated 16th April 1931.

Honoured Sir,

The Memorialists most respectfully beg to show:-

1. That it has come to their knowledge that the Government have recently passed an order, requesting the President of our Taluk Board to refund the subsidies amounting to Rs (6405/-) paid to the Board towards the payment of the temporary allowance of Rs 4/- per mensem to teachers, in 1929-'30 and 1930-'31.

2. That, in the face of such an order, we, poor and helpless teachers, are threatened with a grave calamity, consequent upon the Board being constrained to the painful yet unavoidable necessity of reducing our scale of salaries, in the event of the Government Order referred to above being enforced.

3. That in sympathetic realisation of the difficulties of the teachers to meet the bare requirements, the benevolent Government have been pleased, to subsidise the Board with a munificent allowance of Rs 4/- per teacher, per month, with a view to affording the poor teachers some relief.

4. That it was in view of this and also in sympathetic consideration of the extremely hard lot of the Elementary school teachers, that the Board was pleased to introduce a time-scale, for the first time in 1924.

5. That the Memorialists beg to submit that the Udipi Taluk Board has not been behind any other Board in the Province in the matter of the expansion of the Elementary Education, so much so, that it is perhaps the proud boast of the board, that as things stand now, all the recognised school centres have been provided for, either by Aided institutions or by Board schools, with a result, that there are, at present, no school-less centres in the Taluk and hence no further scope for the expansion of Elementary Education.

6. That in consideration of this fact and out of pity for the half starved lot of its teachers, the board again revised and improved the scale of salaries towards the end of 1929.

7. That even the scale of salaries now in force in the Board, is lower than the scale of salaries in force in Government schools.

8. That the Board is maintaining 83 Lower Elementary schools and 9 Higher Elementary schools, with a staff of teachers numbering, about 260, 95% of whom are fully qualified and in comfirmed service.

9. That your humble Memorialists have been looking forward to better times, in view of the very happy and hope inspiring pronouncements recently made by HIS EXCELLENCY THE GOVERNOR OF MADRAS, to the effect that the Government have been feeling that not enough has been done in the department of Elementary Education, and

that it was, therefore, the intention of the Government to concentrate its attention and its available resources, on the expansion of the Elementary Education.

10. That it has caused the severest disappointment and extreme sorrow and despair to your Memorialists to learn that the future is likely to be very gloomy and threatening, in view of the recent Government Order requiring the Board to refund their subsidies referred to and also proposing to stop further grant of the same.

11. That in view of the excessive hard lot of the poor Elementary school teachers and ~~the~~ of the fact that, in our Taluk Board there is no scope for the expansion of the Elementary Education, your Honour may be graciously pleased to recall the order referred to and permit the continuance of the grant of the subsidy of ₹ 4/- per teacher, per mensem, so that your humble Memorialists may be enabled to eke out an honest and respectable living, engaged as they are, in the noble cause of shaping the future manhood of the country and thus also of building the nation.

12. That your Memorialists most sincerely pray that you may be pleased to excuse them for the trouble and annoyance they may be causing you by this, their appeal for mercy, which, they most respectfully beg to submit, they could not refrain from, considering the deplorable condition they had reasons to fear, that they would be subjected to, ~~if~~ if the Government did not take pity on them. Your Memorialists most earnestly pray for mercy and mercy alone.

Your Memorialists most humbly beg to subscribe themselves,

Your most obedient servants,

The Government were pleased to assure the Taluk Board of Udipi that orders of Government sanctioning the payment of subsidy to the Board towards Rs 4/- allowance to teachers for the year 1931-32, 1932-1933 and a sum of Rs 6405/- paid in 1929-30 and 1930-31 but recovered under

In this connection, I need hardly point out that much inconvenience is felt for the payment of salaries of teachers and as a consequence the salary for the month of February 1932 has not yet been paid for want of sufficient credit at the disposal of the Board.

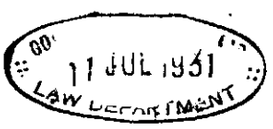
Subsidy - Taluk Board, Udipi - Allowance of Rs. 4.



Since the year 1922 the Govt. have been sanctioning subsidies to local bodies equal to one-half of the expenditure involved in the payment of the allowance of Rs.4 each a month to teachers employed in elementary schools under these bodies. In 1929 the restriction which was till then imposed, that the proceeds of the education tax and the equivalent Govt. contribution should not be utilised for the revision of the salaries of teachers, was removed vide paragraph 1 of G.O. No..1980 Edn., dated 24 -9 -1929. It was also then stated that, in cases in which the pay of teachers was revised from the proceeds of the education tax and the equivalent Govt. contribution, the subsidy paid for the payment of the allowance of Rs.4 would be stopped. With reference to these orders the subsidy (Rs.6,405) was paid to the Taluk Board, Udipi in 1929-30 and 1930-31 towards the Rs.4 allowance was ordered to be recovered, because it was reported that the taluk board had revised the pay of teachers ~~since the issue of the orders referred to above~~, meeting the extra cost from the proceeds of the education tax and the equivalent Govt. contribution. The payment of the annual subsidy of Rs.4,270 towards the Rs.4 allowance has also been stopped with effect from 1931-32. ~~vide G.O. No. 416 Edn., dated 14-3-31~~

2. The board requests that the orders may be reconsidered. The Director of Public Instruction states that the salaries of teachers had been revised in 1925-26 and the board has ~~not been utilising~~

proceeds of the education and the equivalent Govt. contribution towards the payment of the allowance of Rs.4 merged in the pay proper. Attention is invited to the notes in G.O. No. 1113 Edn., dated 29-6-1931, wherein it has been decided that if the revision of salaries of teachers has been made prior to the issue of G.O. No. 1980 Edn., dated 21-9-1929, the subsidies paid for the allowance of Rs.4 need not be stopped provided the local body concerned continues to contribute its normal contribution from its general revenues.

2. The contribution of the taluk board to the elementary education fund in 1920-21 was Rs.13,127. In connection with the framing of the normal budget of the board, the L.S.G. Department suggested that the contribution might be fixed at Rs.4,270. This department accepted the suggestion subject to the condition that it should be raised to Rs. 8,940 when the finances of the board improved. The board has since been contributing Rs.4,270 to the elementary education fund. The contribution paid by the Govt. towards the Rs.4 allowance is also Rs.4,270. It will thus be seen that the board is not making any contribution from its general revenues towards other purposes.

4. It is not known whether the board's finances have improved so as to enable it to enhance the contribution from its general revenues to Rs.8,940. Before considering the question of allowing the board to draw the Govt. contribution for the Rs.4 allowance, the L.S.G. Department may be requested to note on the financial condition of the board.

The ordinary surplus or deficit of the Board for the four years ending with 1931-32 is noted below

Year		Rs.

during the last three years

The deficits are mainly due to increased allotments under "Communication and "Public Health". If the Board deletes the provision made for the payment of increased salary and remuneration to medical subordinates the deficits can be reduced to some extent in 1931-32. The budget for 1931-32 contains a provision of Rs 4270, this being the normal contribution to the Elementary Education Account from ordinary revenues. The Board is not in a position to increase the amount of this contribution. With these remarks, this file may be returned to Law & Edn.

Education septt

The d.s.g. septt states that the Board is not in a position to raise its contribution from the general revenues. As pointed out in paragraph 3 of the note at page 2 ante the council's contribution of Rs 4,270 is the same as the subsidy payable towards the Rs 4 allowance. In view, however, of the circumstances mentioned in paragraph 2 of the note at pag 1-2 ante, it is for consideration whether the subsidy towards the Rs 4 allowance may be continued as a special case. If so, the file may be sent to Finance U.O. for remarks. On return from Finance, the file may be circulated to H.M's of S & H.M. H.M.'s note at (I)

In 1924 the Board's contribution to the E.E. Fund was reduced by as much as 2/3rds, their contribution is now small. However on the analogy of G.O. 1113 d. 29-6-31, there seems to be a case for continuing the subsidy towards the Rs 4. allowance, especially in view of the poor financial

In G.O. 1475 Edn. dated 17-10-23, the Govt. informed the D.P I. that grants to local bodies towards the Rs. 4 allowance might be paid irrespective of whether the local bodies continued the payment of the allowance as such, or whether they had permanently revised the scale of pay of the teachers merging the allowance in pay proper. (The condition that the local bodies also should contribute half the additional cost from their own funds other than the proceeds of the education tax and the equivalent Govt. contribution was not withdrawn).

A on p.3 of GO 6 (J)

(E)

2. In G.O. 1633 Edn., dated 23-8-27, the Govt. placed the subsidy towards the Rs. 4 allowance on a fixed permanent basis, the subsidy paid in 1927-28 being taken as the basis for fixing the subsidy for 1928-29 and subsequent years.

(G)

Subsequently, in para: 2 of G.O. 1980 Edn.,

dated 24-9-29, the Govt. informed the local bodies that the allowance of Rs. 4 to teachers should be merged in pay, and that in cases in which the pay o teachers is thus revised from the proceeds of the Education tax and the equivalent Govt. contribution, the subsidy paid from Provl. funds towards the payme of the Rs. 4 allowance would be stopped.

3. In the present case of the Udipi Taluk Board,

pp.1 & 10 of G.O. 416 Edn., d. 14-3-31 (C)

(a) the Board revised the pay of the teachers, once in 1924 and again from 1-9-29 (there is no information regarding the extra cost involved);

3-1-2 above

(b) owing to the poverty of the Taluk Board, its normal contribution from general revenues to the E.E. Fund has been fixed at Rs. 4270 per annum with effect from 1924-25 against its actual contribution of Rs. 13,127 in 1920-21;

paras 1 & 2 on pp. 4-5 C.F. and para 3 on p. 2 above.

(c) the additional cost (amount not known) due to the revision of pay of teachers in 1924 and 1929 is met from the E.E. Fund; and

4. In his letter dated 7-1-31, the D.P.I. recommend that as the Taluk Board revised the scale of pay of teachers with effect from 1-9-1929 merging the allowance of Rs. 4 in the revised pay and meeting the extra cost from the proceeds of the education cess and the equivalent Govt. contribution, the subsidies (Rs.640 given by Govt. towards the Rs. 4 allowance from 1-9-29 to 31-3-1931 for 1½ years) might be recovered. Orders were issued accordingly in para 1 of G.O. 416 Edn., dated 14-3-31.

5. The President of the Taluk Board now reports that as the pay of teachers was revised long before the issue of G.O. 1980 Edn., dated 24-9-29, (i.e. once in 1924 and again from 1-9-29) the G.O. ordering the recovery of subsidy may be cancelled and that the subsidy paid hitherto may be continued.

(G)

(as para 2 above)

In a similar case relating to the Tanjore Taluk Board, it has been decided that, if the revision of the pay of teachers was made prior to the issue of G.O. 1980 Edn., dated 24-9-29, the subsidies paid towards the Rs. 4 allowance need not be stopped, provided the local body concerned continues to pay its normal contributions to the E.E. Fund from its general revenues.

see pp.10-16 and p.20 of G.O. 1113 Edn. 29-6-31. (2)

flag (G)

As the present case is analogous to that of the Tanjore Taluk Board, and as the financial position of the Taluk Board (Udipi) is poor, Law (Edn.) propose to continue the subsidy (Rs. 4270 per annum). This will be subject to the condition that the Taluk Board continues its normal contribution of Rs. 4270 from its general revenues.

Law Dy Secy's note on pp. 4-5 above

In other words, the total annual contribution of the Udipi Taluk Board to the E.E. Fund will be Rs. 4270 whereas the Govt.'s contribution for one item alone (Rs. 4 allowance) will be Rs. 4270; the Government have to pay other contributions also, viz., contributions equivalent to the proceeds of the education cess, the grants given in [redacted], grants for the opening of new schools and appointment of additional teachers, etc.

The proposal (vide p.8 ante 6.6)

Submitted that the proposal of Law (Edn.) may however be accepted.

6. Against the recovery of Rs. 6,405 referred to, the Accountant General was asked to withhold payment of a grant of Rs. 1,485 due to the Taluk Board and the President was asked to refund the balance of Rs. 4,920 before the close of the year 1930-31. It is not known whether the President has refunded the amount. The amount actually recovered from the Taluk Board will now have to be refunded to it.

As every available item of saving has been included in the surrenders required by Government. It is not possible now to suggest a source for reappropriation. There is however no objection to the expenditure being met from the sanctioned appropriation of Rs.34.74 lakhs provided Government will undertake to provide additional funds by reappropriation or by a supplemental grant later on in the year 1931-32 to meet deficiencies, if any, in the budget appropriation which includes provision only for normal recurring expenditure of the year and not for such large items of expenditure as the one under reference.

The question of effecting further curtailment in the provision of Rs.34.74 lakhs is separately under consideration and it is doubtful whether it will be safe to sanction the expenditure in the present case which is rather large (Rs 10,675). A supplementary grant is not a good question when drastic cuts are being thought of. Whether the Taluk Boards may be informed that a subsidy of Rs 10,675 will

This department have agreed to the continuance to the Udipi Taluk Board of the annual subsidy of Rs 4,270 towards the payment of Rs 4 allowance to teachers. The amount payable to the Taluk Board is Rs ~~9,190~~ as under:—

1) Amount recovered from the Taluk Board in 1930-31 but repayable now	6405 ~~4,920~~
(2) Subsidy due for 1931-32	4,270

2. The D.P.I. says that the above expenditure of Rs ~~9,190~~ 10675 will be met from the provision for teaching grants to local bodies for primary schools 34.74 lakhs provided Govt. undertake to provide additional funds by reappropriation or by a supplementary grant later in the year to meet deficiencies, if any, in the budget appropriation.

Law (Edn) have noted that it may not be possible to provide funds by reappropriation and that a supplementary grant is out of the question. They therefore propose to inform the Taluk Board that the subsidy of Rs ~~9,190~~ 10675 will be paid in 1932-33, necessary provision being included in

In the letters referred to above the P.T.B., Udipi, requested that the subsidies payable to it under section 37 of the Madras Elementary Education Act and towards the payment of the allowance of Rs 4 to teachers might be paid to it at an early date.

Sanction has been accorded in G.O. No.630 Education, dated 30-4-1932, to the payment to the Taluk Board of the subsidy due to it in 1932-33 under section 37.

As regards the subsidy payable towards the allowance of Rs.4 to teachers, attention is solicited
